Title: How Does Gridipedia Help You Applying Grid Technologies to Business?

The screenshot shows the AlphaGalileo website interface in a Mozilla Firefox browser. The page title is "AlphaGalileo - the Internet-based news centre for European science, engineering and technology." The main content area displays a press release from Fraunhofer SCAI, dated 21 January 2009, titled "How Does Gridipedia Help You Applying Grid Technologies to Business?". The release text discusses the Gridipedia website and its role in supporting European businesses with Grid technologies. A call to action box prompts users to register to view contact details. The website also features a navigation menu, a search bar, and a sidebar with various links and advertisements, including one for Johnson-Johnson Pharmaceutical Research & Development.
