Title:

BEinGRID – Much More Than Your Everyday Research Project

The screenshot shows a Mozilla Firefox browser window displaying the Jura Forum website. The page features a navigation menu with categories like Foren, Anwälte, Urteile, Gesetze, Lexikon, News, and Mitmachen. A prominent banner at the top asks 'Sie suchen einen RECHTSANWALT?' with search filters for 'POSTLEITZAHLEN' and 'FRÜHERZEICH'. The main content area displays a news article titled 'BEinGRID - Much More Than Your Everyday Research Project' dated 13.11.2008, categorized under 'Wissenschaft'. The article text states: 'BEinGRID, the largest ICT project financed by the European Commission, will be hosting a booth at the ICT 2008 event in Lyon on November 25-27. This release describes why this project is causing such a stir in research circles.' Below the main text, there are three advertisements: 'ARIL Location vacances' (vacation rentals), 'Kaffee Schnäppchen' (coffee beans), and 'Conte d'hiver en Autriche' (winter holiday in Austria). The right sidebar contains a 'Schnellsuche' (quick search) box, a 'Rechtsanwalt suchen' (find lawyer) form, and a list of 'Google-Anzeigen' (Google ads) for various services like hotels and coffee machines. The browser's address bar shows the URL 'http://www.juraforum.de/jura/news/news[id=204262307]/f/196/'.
