Title: BEinGRID Publication Notice – “Better Business Using Grid Solutions”

The screenshot shows the IDW website interface. At the top, there is a navigation bar with "Deutsch / English" and a search box. The main content area features the IDW logo and the text "Informationsdienst Wissenschaft". Below this, a breadcrumb trail reads "You are here: Home > Press release: BEinGRID Publication Notice: 'Better ...'". The main headline is "BEinGRID Publication Notice: 'Better Business Using Grid Solutions'", dated 10/01/2008. The text describes a press release by Michael Krapp, a Dipl.-Journalist from Fraunhofer-Instytut für Algorithmen und Wissenschaftliches Rechnen SCAI. It mentions that Europe's largest research project in the field of Grid Computing has released a free booklet of compiled case studies and background information. The text also states that with increasing demand from business for higher efficiency, business agility, and lower cost, for several years information communication technologies have been shifting from static silos with manually managed... A small image of the booklet cover is visible. To the right, there is a calendar for November 2008 and a section titled "Some coming events in the next few days" listing a "Symposium LOW ENERGY - NO ENERGY". The bottom of the page shows a Windows taskbar with several open applications.
